

INTERNATIONAL BLESSING OPERATION CHRISTMAS CHILD OCTOBER 20 - NOVEMBER 17

one.
shoe box

Choose your shoebox. Crossroads will be working with Samaritan's Purse during their annual Operation Christmas Child Shoebox Ministry beginning 10/20. It's recommended that we use their boxes, however, you can also use your own box if you wish. Please only take a box that you will **return filled** for a child in need.

two.

Fill your shoebox. To assist you with gift suggestions, visit the information table between services or go online to www.samaritanspurse.org/operation-christmas-child/what-goes-in-my-shoebox-suggestions/.

three.

Prepare your shoebox. After you have sufficiently filled your shoebox, affix the label that came inside the box to the outside. This label indicates the gender and age group the contents are intended for.

four.

Sending your shoebox. Please include a **\$10 donation** inside your box before dropping it off at church (envelope is in pamphlet) or you can donate online and receive a "Follow Your Box" barcode label which allows you to track the destination of your box. This donation covers the cost of shipping to over 100 countries!
